Monday 14th October 2024

Dear Parents/Carers,

I hope this letter finds you well. I am writing to inform you of two significant upcoming events at our school that aim to foster community engagement and inspire our students.

Firstly, on Tuesday, Harp will lead an assembly for our Key Stage 2 students to discuss the importance of local food banks and how they serve our community. They will explain the purpose of the food bank and the various ways in which we can contribute. We kindly ask that you send in donations from Tuesday until Friday of this week. All collected food items will be delivered to the food bank on Friday afternoon. Your support in providing non-perishable goods will be greatly appreciated, as it will directly impact those in need within our community.

Secondly, I am pleased to announce that during the week of 21st October, we will be hosting our inaugural Aspirations Week. This event will feature a diverse range of professionals from various fields, including the acting world, The FA, the European Space Agency, and the Police Force, among many others. These individuals will either visit us in person or engage with our students virtually. We are grateful to all the professionals who are generously offering their time and expertise to inspire our students.

To culminate this special week, we invite all students to come to school on Friday, 25th October, dressed as someone from a profession they aspire to pursue. This will be a wonderful opportunity for our children to express their ambitions and engage with the theme of future careers in a fun and imaginative way.

Thank you for your continued support and involvement in our school community. Should you have any questions regarding these events, please do not hesitate to contact the school office.

Yours Sincerely

Mrs E Crabb

Deputy Headteacher
